

THE NEW NORMAL

AT THE COACH HOUSE

We are so excited to be opening the doors again. We feel we should point out the 'new normal' at the Coach House to keep you and our team safe. We will welcome you with a smile and open arms, although we can't hug you or shake your hands, even if we wanted to.

It will not be mandatory for our team to wear face masks, they are available for team members who choose to wear one.

Our opening hours are as follows:
Sunday - Wednesday 10am-10pm
Thursday - Saturday - 10am - 11pm

Our capacity is limited, so we recommend booking even if its just for drinks. You can do this online via our website or give us a call. Table numbers are being managed in line with government guidelines and our commitment to a safe environment is, as always, a top priority.

We have carefully placed our furniture to adhere to social distancing measures, installed glass screens where needed and introduced disposable menus - all whilst still providing you, our customers, with a welcoming environment. We also have an order at table app, you will find the 'how to' and the table number on each table.

We have hand sanitiser at the front door so please use this before entering the building. We also have sanitiser in and around the building so please use as often as you like.

We have worked super hard to make the Coach House as safe as possible. We are confident in what we have achieved and we hope you are too.

Please kindly stay away if you are experiencing COVID symptoms.

We can not wait to see you all, your support has kept us strong through what has been some incredibly challenging months.

Thank you and see you soon

**Please Maintain
Social Distance**

Table Service Only

**Kindly Do Not Visit
Us If You Have
Covid-19 Symptons**

**Hand Sanitiser
Stations**
