

LOCKDOWN 2.0

We're pretty sure you've all seen the news by now so you'll know that all hospitality venues need to close their doors on Thursday 5th November.

It's not so bad...

TABLE RESERVATIONS

If you have a table booking with us that falls within the suggested timeframe of closure, until 2nd December, we will cancel this. Our diary is open from 3rd December onwards so you can reschedule your get together for when we re-open.

BEDROOMS

Our hotel accommodation remains open for work travel during the period of closure. We are committed to following the rules and guidance and will change and review this as necessary.

TAKEAWAY

We kicked off our takeaway collections a couple of weeks ago and they've been going great guns! We will continue to offer takeaway food and drink at lunchtimes, evenings and weekends. Rest assured this is the same delicious food we serve in house just packaged up in eco friendly boxes. Head to our website to look at the menu and place your order.

GIFT VOUCHERS

If you're looking for a great Christmas present or you just want to support us through a fairly challenging year then you can buy an e-voucher on our website too. They look great printed or emailed and lets be honest, who's not heading out as soon as this is all over!?

CONTACT

We will be watching our costs while our hands are tied, our team will be smaller, which means we might not always get to the phone. If you need to get in touch here's your options:

Call: 01767 260221 - Leave a message if we miss you
