

QUARANTINE BINGO

Find someone who.....

Attended an online course/lecture	Did a HIIT Workout at Home	Joined a Zoom call with PJ's	Did your hair/makeup to go to the grocery store	Ordered through UberEats/Doordash/Foodora...
Binged a Netflix series	Said, "Sorry I was on mute" on a call	Sanitized your groceries or anything else that enters the house	Missed your commute to work	Finally realized "that" meeting could have been an email
Was in bed for a meeting	Had a child/pet on your lap during a meeting and regretted it	Cheered/applauded for medical staff on the street	Played Jackbox with friends	Picked up a new hobby
Drink at a questionable hour.....	Held your breath as you walk past a stranger	Stared longingly out the window as if you were in a music video	Joined a Zoom Call with no Pants	Walked to the other side when you see someone
Forgotton what day of the week it is	Checked John Hopkins website	Someone has a funny background on Zoom	Tried ordering groceries online	Went outside today
