

GUIDE TO USING RALLY

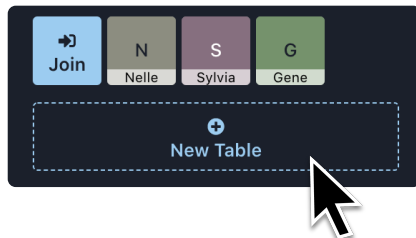

- Please join through **Google Chrome** on your laptop or desktop computer
- To join as a Guest, just type in your first name and click Join
- Feel free to join any room after you sign in!

Join a Table when you're in a room

Join any table you like by clicking **"Join"** on any of the tables on the right

Start New Table

Break off into a table by yourself by clicking **"New Table"**

for a 30-second intro video on **how to use Rally**

Pro Tip*

In Rally, you can hear the **background chatter** of everyone else in the room!

If it gets **too loud**, you can mute it by clicking on the volume symbol, next to "All Tables" at top/right of screen.

If you have any questions at any time, click our Intercom button for help!
