

JOB OPTIONS CHECKLIST

Use this editable word checklist to fill in or print off to note down your top preferred skills, work values and motivators and other important career factors to help you identify options to explore or pursue. Where you have the highest total across all factors are likely to be your top job preferences to investigate further.

You may wish to discuss with someone you trust and/or a Career Coach to help you identify your preferred options

	Job option 1	Job option 2	Job option 3	Job option 4
Click in the check boxes if the skill, value, driver or other job preferences is present for each job/career option
