### PRESIDENT'S REPORT December 2021

Thank you to Kristen Mallardi and Acuity for sponsoring the November program. Her presentation was on “**Visually Comfortable Lighting Design for Interior Architecture,**” which explored the transition from paper tasks to electronic mediums in our offices, schools, and healthcare environments. It was very informative, and she did a great job presenting and answering questions. We had an attendance of 13.

The Cleveland Chapter will be changing our lunch format and maybe location for the January Program due to the low attendance from the September, October, and November programs. Please look for the changes in the January Newsletter.

There will *not* be a December Program this year. Instead, I would like to extend an invite to everyone to join the members of the IES for a **December Social Event**.

We will be meeting at the Market Garden Brewery on Thursday, December 9, from 5PM to 7PM. We will be meeting in the back area. I have reserved a small table. This event is not sponsored by the IES and will be out of pocket if you wish to attend.

Address:

Market Garden Brewery

1947 W. 25th St. Cleveland, OH 44113

Finally, our next Board of Managers meeting will be held on Friday, January 7 at noon via conference call. These meetings are open to all of our members. If you would like to get involved, please [send me an email](#) and I will add you to the meeting invitation.

**Brian Jones**

President, IES Cleveland Section
