

Be Cyber-Smart

Only use devices in common areas around the home.

Never share intimate photos with anyone and report to a trusted adult if they are shared with you.

Only communicate and accept friend requests from people you know personally.

Limit your screen time and remember to invest time in human relationships too.

Be mindful of the personal information you share online.

Keep passwords and log in information private.

Inform an adult if you feel uncomfortable about anything you see on online.

Be mindful of who you accept files from.

Check the source of information for reliability.

Do not meet up with people you do not know personally or without a trusted adult's permission.

Keep your social media accounts private and secure.

About Organo Et School (OES)
