APP TODAY

Do you know when your teen driver is speeding? With NAC Connect from National Auto Care, you will! Our high-tech solution can be installed and activated in 5 minutes, with benefits that last the lifetime of your vehicle and gives you peace of mind when you - or any driver in your family - is behind the wheel.

NAC Connect not only lets you monitor your vehicle activity with location tracking and real-time trip, speed and impact alerts; it also features stolen vehicle assistance, geofencing and more, ensuring that you can keep *all* the drivers in your family safe, right from your smart phone.

NAC CONNECT

Sleek navigation tiles on the app homepage direct you to alerts, location, theft reporting and more!

YOUR FAMILY'S SAFETY IS YOUR #1 PRIORITY.

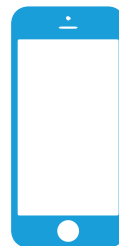

IT'S OURS, TOO.

Having a theft prevention device may lower a customer's comprehensive insurance coverage cost

Roughly 42% of stolen vehicles aren't recovered

Drivers under the age of 20 make up the largest percentage of distracted drivers

POWERFUL FEATURES

TRIP REPORTS

Get real-time updates on your vehicle's movements including date, time and duration.

STOLEN VEHICLE ASSISTANCE

NAC Connect is on the case! If your vehicle is stolen, access your app immediately for simple instructions on reporting theft and how NAC Connect can assist the police intracking the car's location.

SPEED, BATTERY, AND POTENTIAL IMPACT ALERTS

Never again worry if your battery is running low. NAC Connect offers battery alerts as well as notifications when your vehicle reaches certain speed limits. You can also be notified of potential impacts.

TEEN/PARENT MONITORING

One in four teen drivers will be in a collision during their first year of driving*. With NAC Connect, you can monitor the teen driver in your family. See their driving habits including speed, potential impacts and more.

*U.S. Department of Transportation

GEOFENCING

NAC Connect's GPS tracking and geofencing technology shows you the locations of your vehicle at all times, ensuring round-the-clock safety and security, no matter who's driving.
