

Smoking, Drugs and Alcohol Policy

As a Ofsted registered Childcare provider we comply with the requirements of the Ofsted Registration and the EYFS.

Regarding smoking, drugs and alcohol, we do this by:

- not smoking (including e-cigarettes, vaping devices and nicotine inhalators) either during working hours or when children are about to be present
- not permitting smoking (including e-cigarettes, vaping devices and nicotine inhalators) in our setting (including outside areas) or our cars at any time when children are present or when children are about to be present
- ensuring any evidence of smoking (including e-cigarettes, vaping devices and nicotine inhalators and associated accessories, cigarette stubs, ashtrays, lighters and matches) is removed and cannot be seen or accessed by children
- not permitting alcohol consumption in our setting during working hours
- not exposing children in our care to alcohol consumption
- ensuring that nobody in our setting is under the influence of drugs, including medication that may have an adverse effect on them or affect their ability to provide childcare (medical advice will be sought as necessary)
- contacting the parent/carer of a child as soon as possible if we believe that their child may be consuming alcohol, smoking (including e-cigarettes, vaping devices or nicotine inhalators) or taking drugs

If you have any concerns regarding this procedure please do discuss them with us.
