TOUCHDOWN SPACES ARE SIMPLE WORK AND COLLABORATIVE AREAS

that serve as a substitute for traditional settings. It is important that these spaces provide both independent and collaborative solutions. With some creativity and the right furniture, every single square foot of a school can be functional.

INNER CORNER TABLE

MAXIMIZE WALL SPACE INSIDE AND OUTSIDE OF THE CLASSROOM

The **WALLY** collection is designed to create touchdown space inside and outside of the classroom. Transforming areas in the commons area, hallways, cafeterias, and classrooms to provide a perfect space for students and staff to use collaboratively and independently. **WALLY** can be used to fit in spaces that will allow you to maximize wall space with a series of counters and upholstered seats,

MAKE EVERY SPACE A FUNCTIONAL SPACE

WALLY'S unique shapes and configurations create custom solutions for multiple areas and applications. The 18" upholstered seats allow for seating by tables. Seats can be used independently to provide space saving wall mounted seating.
