WORK EXPERIENCE

Ansyes – UX Design Intern

May 2020 - August 2020 | Evanston, IL (Remote)

Collaborated with PMs, designers, developers and interns to improve the user experience of the Ansyes Discovery product. Contributed to the development of Discovery style guide. Re-designed workflows and UI components. Executed a remote usability study.

Indiana University – HCI/d Graduate Assistant

August 2019 - Present | Bloomington, IN

Cultivating design thinking in 100+ HCI Design undergrads by mentoring, training, facilitating group projects and grading assignments.

Career Cookies – UX Designer

August 2020 - Present | Bloomington, IN

Creating branding strategies and website for career counselling startup.

Financial Fitness – UI/UX Designer

July 2018 - October 2018 | Pune, India

Designed an Android mobile app for a financial firm by defining business and user needs, gathering insights and creating 40 high-fidelity screen designs based on Google Material Design.

IIT Bombay – Interaction Designer

August 2018 - October 2018 | Mumbai, India

Worked on Jellow speech therapy app for children. Re-designed UI to make it more engaging. Analyzed qualitative and quantitative user data for better traction.

ZS Associates – Data analyst

September 2015 - January 2018 | Pune, India

Provided strategic sales and marketing solutions to healthcare clients by designing performance management systems. This is where I discovered my love for design. :)
