ABOUT

I am Passionate about creativity and design.
A conceptual thinker, problem solver and aesthetics enthusiast. I would love to join a team that I can contribute to, learn and grow with. I am able to combine my attention to details, innovative approach and auto-didactic capabilities.

EDUCATION 🎓

Self-taught with high independent learning skills. This ability helped me develop an ever-expanding creative toolbox. I have accumulated my knowledge on a variety of platforms such as online courses, webinars, articles, podcasts, books, and more.
