

RLC Alumni Association

Era & Class Representatives

Our Global RLC Alumni are a unique group of professionals, entrepreneurs, caring citizens, adventurers, and just good people! The Alumni Association, with the leadership of Class and Era Reps, connects alumni to networking opportunities, social and reunion events, and a vibrant RLC school community. Class Reps and Era Res have important responsibilities and invest time to regularly reach out on social media to their RLC classmates to foster collegiality and maintain connection to RLC. Alumni who are chosen to represent their class or era are committed to volunteer time weekly and monthly on social media channels. We're immensely grateful for their support!
