COLOURS

2000L tank against a wall

1000L tank

FEATURES

- Australian made - manufactured from 100% U.V. stabilised, food grade polyethylene resin
- To ensure maximum strength, all Thintanks are made of a solid one piece construction
- Tanks are fitted with 2 brass 20mm outlets at the bottom to allow joining of tanks together with ease

The latest innovation in slimline poly rainwater tanks.

Aesthetically pleasing appearance. Designed to suit any location and can be positioned:

- along side a fence
- against house wall (1000L only 260mm wide / 2000L 480mm wide / 3000L 580mm wide)
- to form an internal courtyard
- to screen off the back yard

Provides minimum intrusion on your property.

Use any number of tanks to achieve the desired capacity.

Ask about Government rebates. Large colour range to suit.

WARRANTY Thintanks warrants its tanks by a pro rata warranty for 10 years from the original date of purchase. This warranty covers the original purchaser only and is not transferable. Thintanks will repair or replace at its discretion the tank affected by a defect or fault caused by the manufacturing process or materials. Fading or colour change, damage caused by accidents or misuse, do-it-yourself repairs or incorrect installation, and any subsequent costs (including freight of replacement tank) are not covered by this warranty.
