Surface-specific cleaning. Your Posh team's cleaning kit consist of about 40 various tools and cleaning agents for natural stone, wood floors, stainless steel, and any other surface found in your home.

SMART CUSTOMERS READ THE SMALL PRINT! Please refer to our 'Client Info Sheet' for more important information. Posh staff are equipped with 2-step ladders and super-extended dusters - we will do our best to **clean above 8'**, however there is no guarantee. Posh will **not move heavy appliances or furniture** over 35lbs - per our health & safety policy, and to avoid scratched floors! We will do our best to reach under/behind; you may also move very heavy furniture/appliances for our staff. We will do our best on **light-fixtures & ceiling-fans** with delicate dusting and wiping, however light-fixtures are very fragile, expensive to replace, and pose an electrical hazard. They will not be taken apart. Ask Posh about specialized full-service specific to light-fixtures. Posh staff are not able to work in **any home where contractors/ movers** or construction is active - if we arrive and are unable to clean as such our cancellation-fee applies. Posh only cleans inside, finished, living spaces - we are not able to clean outside or unfinished areas. **Hot running water** must be available. **Posh services offered do not include laundry or dishes.** Please do not hesitate to ask if you have any questions...and be sure to refer to our 'Client Info Sheet' upon booking with Posh, before we arrive.
