About the Resort

With snow-sure runs that extend to 3300m and some of the most breath-taking views in the Alps, St Moritz is a firm club favourite that we are lucky enough to have again this season.

Lying at the foot of the 4000m Piz Bernina in the Romansch area of Switzerland, St Moritz is one of the oldest and most exclusive ski resorts in the world and was twice Winter Olympic host. The local mountain has over 80km of pistes to suit all abilities, catering particularly well to intermediate and advanced skiers and boarders. The neighbouring areas of Corvatsch, Pagalb and Diavolezza (with its popular 10km downhill) offer snow-sure glacier skiing for all levels.

**The late sign-up price will apply to sign-ups submitted after 21:00 on the last Early-Sign-up date.*

Please refer to our cancellation policy for terms and conditions.
