## About the Resort

Thanks to our partner at Sport65 we are able to offer this excellent value trip at short notice, with a 7% discount to Frankfurt Ski Club members.

It is time to scrape the rust off the skis, snowboards and ski legs and attack the fantastic glaciers at the World Cup resort of Sölden, situated deep in the Ötztal Valley. Sölden boasts two fantastic glaciers, which are connected to each other by a ski tunnel. Situated at 3240m above sea level, it guarantees a quick and easy change from Rettenbach to Tiefenbach.

At this time of the season it should be possible to ski from the Giggijoch top station. The 3 day skipass also includes the excellent skiing at Obergurgl/Hochgurgl, just a short bus ride away.

We will be staying at the three-star hotel in central Sölden, just a short distance from the Giggijoch lift. The hotel also offers a free sauna and wellness area.
