About the Resort

For most this is the last ski trip of the season, and what a way to finish! We come to this stella resort for the end of season concert on the mountain. This season we have the Italian Frank Sinatra - Eros Ramazzotti! An experience not be missed! The concert is included in the skipass.

Also renowned as a party resort, Ischgl has a remarkable amount of terrain on offer. From gentle slopes, broad carving pistes, challenging steeps and powder filled bowls, there is something to suit everyone. Cross the ridge at the top and you are skiing in Switzerland – its usually best to start the day there to enjoy the morning sun. Return to the more north-facing slopes of Ischgl for the afternoon's fun.

We will be staying in a hotel or pension in Galtür – a short bus ride from Ischgl.

*The late sign-up price will apply to sign-ups submitted after 21:00 on the last Early-Sign-up date.
