

THE HUMAN TOUCH IN THE DIGITAL AGE

Infusing innovation, leadership and the humantouch in sync with our client's mission for over 20 years.

HumanTouch, LLC, is a solutions provider, we maximize visibility and strategic insight into business operations. We work with public and private-sector clients to develop innovative ideas targeting specific operational challenges.

Founded in 1998, HumanTouch is a privately-held company headquartered in McLean, Virginia with satellite offices in Atlanta, Georgia and Quantico, Virginia.

Together with our clients, we build upon a dynamic framework of services and solutions; achieving new levels of operational efficiencies, accelerating time to market, optimizing costs, and improving client success and satisfaction. We are customer focused, providing innovative ideas and excellence in service delivery.
