HumanTouch, LLC (HT) works globally with public and private-sector customers to speed up product launches, optimize costs, and improve customer relationships. We strive to help our clients succeed by combining our deep functional expertise with the "human" element while also keeping an eye on the complex and dynamic political, economic, and technical environments. HT provides Information Technology (IT) Information Management (IM) solutions for Federal Government challenges in the areas of:

- Cloud Solutions
- Solutions Engineering
- Cybersecurity
- Cybersecurity Maturity Model Certification (CMMC) Advisory Services
- Software Development
- IT Strategy and Modernization
- Program Management
- Operations Management
- ADA/508 Compliance

Alcorn State University (Alcorn), a HBCU, is a comprehensive land-grant institution that celebrates a rich heritage with a diverse student and faculty population. The University emphasizes intellectual development and lifelong learning through the integration of diverse pedagogies, applied and basic research, cultural and professional programs, public service and outreach, while providing access to globally competitive academic and research programs. Alcorn strives to prepare graduates to be well-rounded future leaders of high character and to be successful in the global marketplace of the 21st century. Core competencies include:

- Artificial Intelligence
- Machine Learning
- Cybersecurity
- Data Science
- Programming Languages
- Computer Networking
- Computational Sciences
- Biometrics
- Medical Signal/Image Processing
- Object Recognition
