

## Capability Statement

Mega Source Supply was established in 2015 after identifying the opportunity to support customers in meeting their DBE/WBE/SBA goals. We are an independently owned certified company based in Quincy, IL. We are 100% woman-owned and provide quality sustainable construction products at competitive pricing. As a result of the need, we offer a huge variety of contractor grade tools and supplies from manufacturers that you know and trust for any job from do-it-yourself projects to the largest commercial projects. A multi-purpose business offering Mega-Resources and Products for the Contractor and Building Industry. Our experience includes working with both the Private and Public Sector.

### Company Principal

Crystal A. Young, President and CEO, has more than 30 years Corporate and Business Operations experience. Crystal earned her Bachelors Degree from Western Illinois University and has been a partner in Business with 20 years of retail experience. After working for State Government in a Compliance Officer capacity, Crystal became well-versed in working with businesses to identify and address their needs for improvement and compliance and solutions.

### Past Performance

Mega Source Supply has successfully provided Supplies and Solutions to a number of Industries over the past 5 years and continues to build upon those developments that have been established. Our customer service is unmatched. We invite you to give us a call and discuss how we can partner together to meet your business goals. You Need It! from Mega Source Supply is easy.
