Close the GAP
Scholar Sponsorship Program

Holy Family Cristo Rey Catholic High School in Birmingham, Alabama, combines academic rigor and a corporate work-study program to empower students from economically challenged families to graduate high school prepared to persist in college and flourish in life.

Our Mission

Holy Family Cristo Rey serves an exclusively lower-income population, who could otherwise not afford a private college-preparatory education. Each year, tuition for a single scholar runs upward of \$16,000. Scholars' families contribute what they can based on their household income; their annual contribution ranges from \$300 to \$2,250 per year. Every scholar works five full days a month at an entry-level corporate job to fund more than 40% of the cost of their education, while at the same time gaining valuable professional experience and realizing the relevance of their education. Yet there is still a gap, which must be covered by scholarships and philanthropy. We invite you to invest in a Cristo Rey scholar's education by covering the difference.

How It Works

- You make an annual gift of \$8,000 to help cover the cost of educate your Cristo Rey scholar.
- Cristo Rey will send you updates about your scholar's progress throughout their journey, and your scholar will send you Christmas and year-end cards.
- Please know that you can remain anonymous or interact with your scholar, depending on your personal preference.
