Uniform Code

Our personal attire tells the world a lot about who we are individually and as a collective. The dress code reflects our values of respect for ourselves and others, pride in our institution and conveys professionalism to our community. For that reason, and in keeping with Catholic School tradition, each scholar will wear the Holy Family Cristo Rey school uniform each day both at school and in Corporate Work Study.

This dress code is not meant to be oppressive or limit self-expression, but moreover to create order and consistency. What is written here constitutes what is acceptable for the school uniform. Thank you!
