**TO WHOM IT MAY CONCERN:**

My name is Robert Walsh and I am the Senior Pastor of the Potter's House Christian Church in Parramatta – a position I have held for 30 years.

I want to recommend Ev Cory Bourne to you and your congregation. I have known Cory since his conversion over 25 years ago and he has faithfully served God, our Fellowship, the Parramatta congregation and the NSW area with loyalty and influence ever since. To say he has an excellent testimony in all these arenas would be an understatement.

He pioneered the Eastwood Church, assisted me in Parramatta and then took over a local church before responding to his long term calling into evangelism. Cory has always ministered with an evangelist's gifting – a gifting evident to all those who know him or who have had him preach in their congregations.

Cory has a real supernatural flair to his ministry, hears from God, connects well with people, believes with you for conversions, miracles and breakthrough, readily functions in the gifts, works well on the streets, motivates people to serve and sees tangible results in all his revivals and special services. He also relates readily to all types of people before and after services.

It is no wonder he has already booked a number of full revivals.

In all, I want to highly commend Ev Cory Bourne to you – you won't be disappointed.

Yours sincerely,

Rob Walsh
