

Chris P Rodriguez, MA, LMFT

IMFT - Integrated Marriage & Family Therapy, PLLC

2022 - Fee Structure Effective April 2022

Based on a January 2022 market analysis, years of clinical practice and expertise, an increase will be reflected in fees for service beginning April 1, 2022. My new fee structure for therapeutic services is comparable to that of like credentialed behavioral health providers in the triad. Your signature below acknowledges agreement to the newly stated fee structure.

CPT Code	Description	Duration	New Fee
90791	Psychiatric Evaluation	60-90 min	\$150.00
