

Make payments easier

One-click payments are seconds away

Pay invoices with a single button, try out automatic payments, and check your balance in real-time.

Set up automatic payments

1

Scan the QR code

Log in to Family and scan the QR code. You'll open payment settings.

2

Add your details

Add a card or direct debit, and get ready for automatic or one-click payments.

3

Stress-free payments

Pay in seconds, and easily manage your balance and upcoming invoices.
