

HAPPY *Mother's Day*

Proverbs 22.6-

Start children off on the way they should go,
and even when they are old they will not turn from it.

Dear Mom,

Thank You For choosing me.

Even when there were other options.

Even when it meant your life turned sideways and upside down.

Even when you were scared to death and didn't know what to do.

Thank You For the sacrifices you made.

For all the sleepless nights.

For all the times you went without so I didn't have to.

For all the moments you gave up being you, to be a mom to me.

Thank You For teaching me how to be unselfish.

To give myself to a greater cause.

To forgive people when I am wronged.

And to hold the things of this life with an open hand.

Thank you for always being there.

For always being my biggest fan.

For protecting me when I run to you.

For believing in me when I haven't believed in myself.

Thank you for always loving me.

A love I never had to earn or beg for.

A love that shaped me and defined who I am today.

A love that is a reflection of God's love for the world.

Words will never be enough. They will always fall short of what I want to say. So I hope you understand how much you mean to me when I say, I love you, and thank you for being my mom.

Love,

Your Child
