Units of measurement (circle) <b>Yards / Meters</b>	
Temp.	Wind speed
Describe conditions (rain, wind, greens)	

**Important**

- Always measure distance on Green in feet
- Use'Recovery'for lie whenever ball is in rough or sand and player cannot hit a 'normal' shot toward the hole

**Start lie types**

T = Tee Box      S = Sand      R = Rough      G = Green  
 F = Fairway and fringe of current hole      V = Recovery      R2 = Deep Rough      X = Penalty
