WORK EXPERIENCE

Boss Zhipin North America - San Francisco, CA
UX Research | Visual Design Internship   Feb, 2021 - May, 2021

- Boss Zhipin is one of the most popular Chinese recruiting apps.
- Led the Australian Users Research Team and the Spring Hiring Session Team, designed 2 user feedback questionnaires, transferring data analysis into reports and presentations.
- Coordinated with the teammates to plan, promote and host a talk show.
- Designed the layout and production of 1 BD brochure, 1 banner, 2 reports, 2 posters, 2 presentations, and website visual content in a short timeline.

California College of the Arts - San Francisco, CA
Interaction Designer | Quality Assurance Tester   Sep, 2020 - May, 2021

- Conducted quality assurance tests on features to ensure that the functionality is defect-free, meets user needs and matches designs and specifications.
- Collaborated closely with Applications Developers and assisted usability tests that impact the user experience, data integrity, maintainability, accessibility, and performance of the CCA Portal and other websites and services.
- Led the Accessibility Design research and user testing for the website.

Boss Zhipin - Beijing, China
Human Computer Interaction Internship   Jan, 2020

- Researched and explored the user flow based on interviews with 15 participants and 30+ UGC (User Generated Content) in a short timeline.
- Redesigned 10+ Website & App Interfaces based on the research and updated the brand design language in 1 day.

Foton Motor - Beijing, China
Industrial Design Internship   May, 2019 —Jul, 2019

- Revised air conditioner control panel design from internal style (produced 8+ designs weekly) to the visual interface with icons (shipped and implemented).
- Redesigned 12 color scheme concepts for the new luxury buses in 1 week.
