

# Step-By-Step

**1.** Brainstorm / draw out a design to your house on the foam base

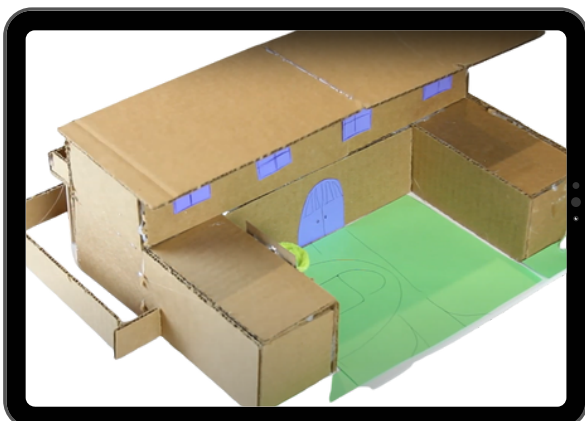

**2.** Put a couple dots of hot glue on the bottom of cardboard strips and place them on the foam board

**3.** Add items like a roof, an upstairs, & a fence if you would like!

**4.** Decorate the inside and outside!

**5.** Add a roof!

Architecture/ budget project:			
Item	Price	Item	Price
4 walls & a roof ★	\$250,000	Garage	\$75,000
Front yard	\$50,000	Furniture (each piece)	\$10,000
Back yard	\$50,000	Front porch	\$25,000
Fenced in	\$30,000	Back porch	\$25,000
		Sports court	\$15,000

**6.** Tally up all the cool stuff for your house and see its value!
