Certificate of conformity of the factory production control

1245-CPR-3101

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Prefabricated timber structural members assembled with punched metal plate fasteners for buildings under factory production control and the continuous surveillance, assessment and evaluation of the factory production control under system 2+

produced by

Thomas Armstrong (Timber) Ltd

and produced in the manufacturing plant

Workington Road, Flimby, Maryport, Cumbria, CA15 8RY

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

BS EN 14250:2010

under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 08 February 2017 and will remain valid if the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

A handwritten signature in black ink, appearing to be 'Gail Sumner', written in a cursive style.

Gail Sumner
Director
Morecambe
08 February 2017

This certificate remains valid subject to six or twelve monthly surveillance audits as applicable to the standard/s and that the above manufacturer produces products in strict adherence to the above standard and CPR and does not change or amend their products and their FPC. Product liability is the responsibility of the above company and CATG cannot accept any product or legal responsibility. Full details are available from:
