

Spotfood for event vendors

Find more events, expand your customer base and get the business tools to make your job easier in one place.

- 1** Sign up on the Spotfood Vendor app. Available on web, iOS and Android!
- 2** Complete your business profile
- 3** Start quoting on available events straight away!

How it works

- View & quote on event listings**
Find events that need your services (catering, photography, decorations, venue and more) and provide quotes. Your business will be visible to all the people in need of event vendors.
- Quoting made easy**
Customize your quote as needed. Create pre-defined templates and packages and reuse them for any future quotes. Store all your business brochures and materials in one place and attach them directly to your quote.
- Collaborate with the organiser**
Once your quote is accepted, collaborate with the organiser using the in-app messaging feature. Define all the details about the event, including milestones and event itinerary.

- Innovative business tools**
Get access to our innovative business tools such as Invoices, Staff management, Customer insights, In-App messaging with customers. View all your bookings in one place with all details and associated information about the event.
- Get paid seamlessly**
Get paid easily directly on the platform, including deposits and pre-payments. Spotfood charges a platform fee between 5-6.5% on all revenue earned on the platform. No other hidden fees or expenses.

Spotfood is designed to connect people looking for services for their events with the best local event vendors.
