

Spotfood for event vendors

Find more events, expand your customer base and get the business tools to make your job easier in one place.

- 1 Sign up on the Spotfood Vendor app. Available on web, iOS and Android!
- 2 Complete your business profile
- 3 Start quoting on available events straight away!

How it works

View & quote on event listings

Find events that need your services (catering, photography, decorations, venue and more) and provide quotes. Your business will be visible to all the people in need of event vendors.

Quoting made easy

Customize your quote as needed. Create pre-defined templates and packages and reuse them for any future quotes. Store all your business brochures and materials in one place and attach them directly to your quote.

Collaborate with the organiser

Once your quote is accepted, collaborate with the organiser using the in-app messaging feature. Define all the details about the event, including milestones and event itinerary.

Innovative business tools

Get access to our innovative business tools such as Invoices, Staff management, Customer insights, In-App messaging with customers. View all your bookings in one place with all details and associated information about the event.

Get paid seamlessly

Get paid easily directly on the platform, including deposits and pre-payments. Spotfood charges a platform fee between 3.5-6.5% on all revenue earned on the platform. No other hidden fees or expenses.
