Bringing together 11,000 farmers, its mission is to add value to agricultural production throughout the agri-food chain. It contributes to the development of a quality food supply and is a major actor in the agricultural and food transition. \n\nSpread over 18 countries, the group's employees are passionately committed to our grain collection (leading French grain collector) and marketing activities, breeding, milling (3rd largest French miller) and malt (1st world maltster).\n\nhttps://youtu.be/VFmQp3DxA9I",
