

## Eastern Redbud Tree

Growth Rate Slow Mature Height 25' Mature Spread 30'

Zone 5 Temps (C) -28.9 to -23.3° Temps (F) -20 to -10°

The Eastern Redbud tree has showy deep pink blossoms that cover the tree in early spring. As the tree becomes older its bark becomes dark and then the flowers seem to glow. Its beautiful heart shaped leaves emerge as purple and change to dark green in summer. Slow growth rate.

Fall Color- Yellow
