

Accessibility

CSMLS is committed to treating all people in a way that allows them to maintain their dignity and independence. We believe in integration and equal opportunity. We are committed to meeting the needs of people with disabilities in a timely manner and will do so by preventing and removing barriers to accessibility and meeting accessibility requirements under the Accessibility for Ontarians with Disabilities Act 2005.

We are committed to providing information and communicating in an accessible manner regarding our goods, services and opportunities to people with disabilities. We will work with the public, our employees, members and vendors to arrange for the provision of accessible formats and communication supports in a timely manner that takes into account accessibility needs due to disability.
