- 2019: $34.54
- 2020: $31.22
- 2021: $21.13
- 2022: $17.97
Government Partners

We work in close partnership with government agencies and partners at every level of the health system in Nigeria, from local clinics and traditional leaders to state and federal health agencies. During Q4 we began enrolling babies in Gombe State.
