Onyx Collection Guarantee

Yes! Guaranteed Forever

This statement is on every product we manufacture. It is a simple, clear guarantee, and everyone associated with our business understands it. If our product ever fails, we will either provide you with a new item or refund the cost. **"Yes, Guaranteed Forever"** says it all. Quality products, our guarantee, quick delivery, ease of installation, and low failure rate have made us legends in this industry.

If you have a question, problem, or suggestion, please call us at **1-800-ONYXTOP** (1-800-669-9867). We always do our best to correct a problem to your satisfaction.

Bob Averkamp - Founder
