

Ride the Wave to  
Adobe Montessori School's  
**Awesome Aloha Hawaiian  
Adventure**

E komo Mai! Welcome!

Our Montessori environments offer our students true "pili'aloa" (friendship) and "aloha spirit" (love). Our students will feel the special warmth of the Hawaiian way of life and thinking. Through storytelling, science, songs, dance, games, and lots of great activities ~ we will learn about the flowers and plant life, fish, the native animals, beautiful birds, exotic and endangered animals, traditions and customs, food, clothing, literature, numbers and phrases... so much to do!

Each week has a theme, but lots of Hawaiian experiences and books will be a part of our day! We can't wait for summer! You may need a Hawaiian dictionary to speak with your kamali'i (children) after our summer adventure!

ALOHA KAKOU!!

The kumu's (teachers) at Adobe Montessori School welcome their new and continuing friends with a traditional Hawaiian greeting of leis and present them with their Hawaiian name! We'll search the world over to locate the Hawaiian Islands, just like Captain Cook ~ who discovered the "Sandwich Islands," as the Hawaiian isles were once called! Let's explore the islands, archipelagos and the mysteries of a bubbling volcano! We'll study the amazing hidden treasures the Hawaiian Islands hold for us. We'll learn the parts of a volcano, build our own archipelagos, and have some "volcanic fun" with science experiments. We'll have to take cover as our own Kaho'olawe volcano erupts!

There is so much to discover in this vast kingdom! We'll be singing seashore tongue twisters, painting sand dollar necklaces, and making sea shell picture frames. Shell matching, great ocean stories, listening to music of the sea, and balancing on a "surf" board!! (Arizona style ~ dudes!) Don't forget your sunscreen! Sun safety and water safety is SO important ~ whether in a Hawaiian paradise or in our steaming Arizona desert. We will learn about keeping ourselves protected from the sun and how to be super safe around water.

We will learn to dance the Hula and how to speak using the art of the "nohea" Hawaiian hand language. We will act as true kama'ainas (natives) when we make our own grass skirts, flower leis, "ipus" (drums), and dance the Huki Lau all week long!
