E X P E R I E N C E

UX/UI Designer

July - Oct 2020. LOVE CIRCULAR.

A bootcamp for aspiring UX / UI Designers. During this time I was rapidly improving my UX and UI design skills.

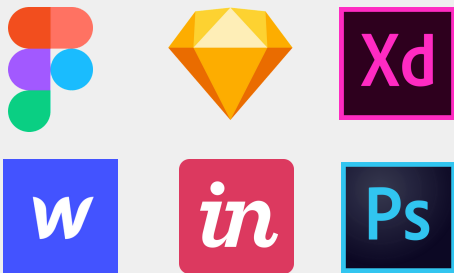

Responsibilities

- I produced UX case studies within a set timeframe and created UI concepts.
- I led design sessions with fellow UX designers where we collaborated together on designs.

Accomplishments

- I developed my design thinking skills.
- I fine-tuned my user research skills, UX skills and UI skills.
- I designed and developed my portfolio from scratch.
- I built connections within the design community.
- I rapidly developed my communication, collaboration and presentation skills.
