Qualifying credit, deposit, \$10 SIM card, and, in stores & on customer service calls, \$20 assisted or upgrade support charge may be required. U.S. data only; does not include voice, messaging, roaming or international service. Not combinable with some rate plans. **After monthly data allotment pooled plans incur \$3.75/GB charge (partial megabytes rounded up), and tiered plan speeds are capped at 600Kbps (with lower speeds than other customers during times of network congestion due to data deprioritization).** Certain uses, e.g., some speed test apps, may not count against high-speed data allotment or have speeds reduced after allotment reached. We notify you of approaching use thresholds via SMS; review your device's user manual to ensure receipt; may require third party software. Log in to your T-Mobile account to see usage. For best performance, leave video streaming applications at their default resolution setting. **Coverage** not available in some areas. **Network Management:** Service may be **slowed, suspended, terminated, or restricted** for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming.
