

WARRANTY INFORMATION –SHOWER RAILS

Warranty Exclusions

- There is a failure to follow installation instructions
- Evidence cannot be provided that the goods was installed by a licensed plumber
- Product is used other than in with specifications. This includes operating conditions specified for temperature (50°C) and pressure (500kPa).
- Harsh detergents or abrasive cleaners are used on any finishes of the Good.
- The Goods has discolouration, corrosion or rusting from 'hard' water and/or other environmental factors.
- No adequate access to products, fittings and fixtures to undertake warranty repairs

Warranty Period

We offer

- 2 Years warranty on Shower rail and head.
- 1 year warranty on hose
- 1 year labor.

Warranty Period above commences on the date of purchase or, where the Product is installed in a new building, the date of handover in the building's warranty period. For clarity, if the Product is installed in a building that is not a new building (for example as part of renovation work), the Warranty Period for that Product will commence on the date of purchase of that Product.
