

HOW AM I WEIRD®

GAME RULES

How many weirdos do you know? Herd them together using whistles & sticks. For maximum enjoyment find 4 to 8 weirdos. **Shuffle all cards thoroughly.**

Arrange the cards in 3 decks:

- **Life Cards** (100) set the situations.
- **Comeback Cards** (390) react to these situations.
- **Weirdo Cards** (10) allow you to create your own answers. Each Weirdo Card has its own name & design.

START

Each player takes **8 Comeback Cards** and chooses **1 Weirdo Card** from the 10. Players keep this **Weirdo Card** for the duration of the game and can play it as many times as they wish.

One player is nominated the **Big Weird Chief** (BWC). Each round has a new BWC with every player taking their turn.

PLAY

The BWC lifts a card from the top of the **Life Card** deck and reads it out.

Choose one of your **8 Comeback Cards**. Find the weirdest answer you can!

OR

Play your **Weirdo Card**. This means coming up with your own answer. Say whatever you like!

Win or lose, playing your **Weirdo Card** allows you - if you wish - to **swap up to 5 Comeback Cards** for 5 new ones. This is a great strategy for **refreshing your hand**.

AND REMEMBER, you can play your **Weirdo Card** in every round if you want to!

Each player puts their **Comeback Card** or **Weirdo Card** face down in front of the BWC.

CHOOSE

The BWC re-reads the **Life Card** and each of the **Comebacks**. If a **Weirdo Card** has been played, that player must give their response **AFTER** all **Comebacks** have been read out.

The BWC chooses the answer he/she likes best. The winning player claims the **Life Card** from that round as a point.

After each round, if you have played a **Comeback Card**, take a new **Comeback Card** from the deck. If you have played your **Weirdo Card**, take it back.

STOP

Play **HOW AM I WEIRD®** until you have answered every **Life Card**. Or stop playing when you want to feel normal again.

The player with the most **Life Cards** at the end of the game is the winner.

Consult the **Weird League Table** to find out your **Official Weirdo Rating**. The **Weird League Table** will tell you if you are **Ruler of the World** or if you need help.

REMEMBER, DON'T GIVE A SENSIBLE ANSWER, GIVE THE WEIRD ONE.
