

Discover Organic Royalty Generation

Orogen is a gold royalty company, created from the merger of two well established exploration companies: Evrim Resources and Renaissance Gold.

Different From Other Gold Royalty Companies

WE ARE MINERAL EXPLORERS

Our exploration teams are “boots on the ground”, with expertise covering western Canada, western U.S.A. and Mexico.

WE GENERATE ROYALTIES ORGANICALLY

Creating NSR royalties as a result of joint venture partnerships that lead to the sale of exploration assets.

WE ACQUIRE ROYALTIES STRATEGICALLY

We utilize our technical and business development knowledge to acquire strategic royalties.

Flagship Gold Royalty Assets

ERMITAÑO

(2% NSR) - SONORA, MEXICO

Updated Ermitaño resources¹ :

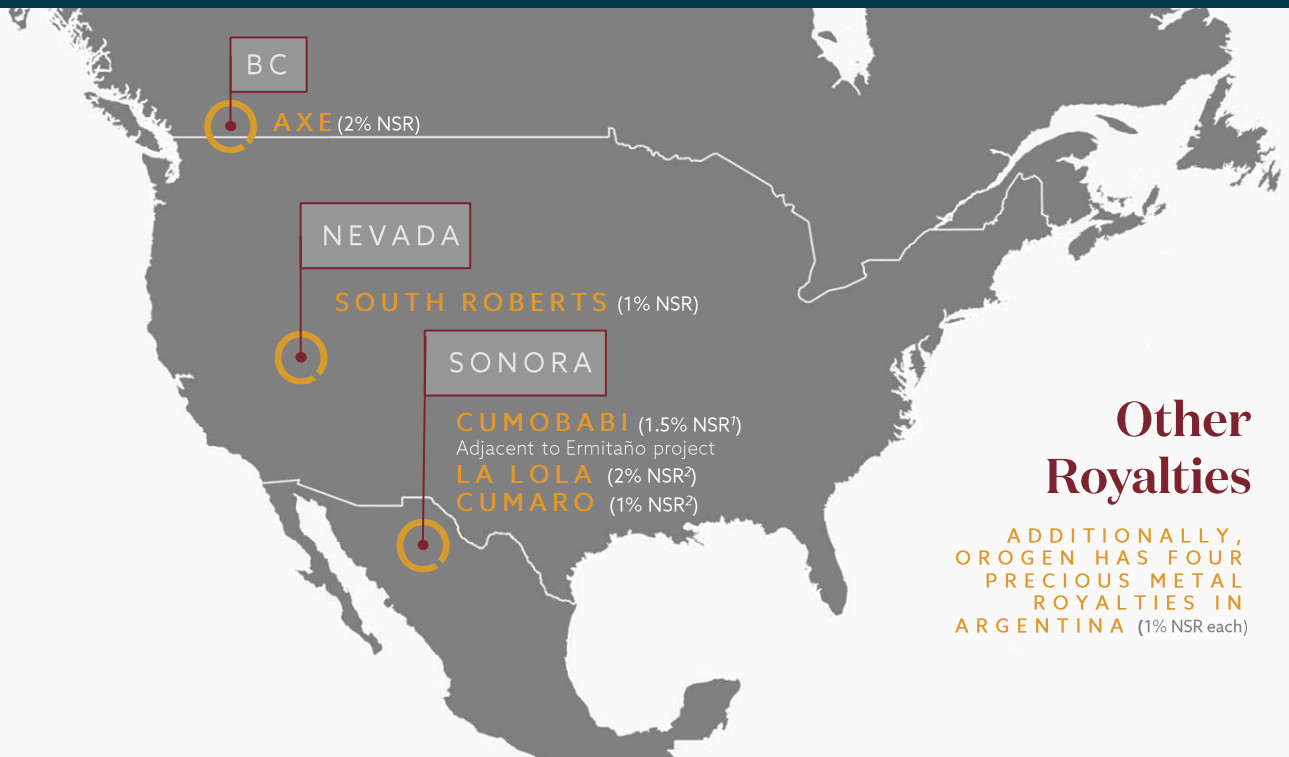

- Indicated Resources: 5M silver ounces and 335,000 gold ounces (19% increase²)
