

Better public sector budgeting and performance.

Questica's budgeting, performance and transparency software solutions help government agencies to deliver better outcomes.

Over 700 public sector customers use Questica's budgeting solutions including:

Budget

Efficient, accurate and collaborative budgeting all in one.

Questica works with government agencies to better enable data-driven budgeting and decision-making, while increasing data accuracy, saving time and improving stakeholder trust.

Questica Budget Suite drives budget transformation by creating a single source of data truth. Questica Budget is an easy-to-use, comprehensive and collaborative cloud-based solution for operating, capital and salary budget preparation and performance management.

- Better budget process with workflow, approvals and role-based security. Create unlimited what-if scenarios, decision packages and multi-year budgets.
- Integrates with financial, HR and other systems.
- Position, salary and benefit planning.
- Statistical ledger, funding gap/revenue analysis, and capital project planning/reserve analysis.
- Easily assemble actionable data from anywhere in the system for analysis from our Report Center. Create interactive and sharable dashboards, Smart on-screen and/or Print Reports.
- Easily produce reports, financial statements and your annual Budget Book.
- Our Advanced Calculation Engine enables complex modeling for revenue, projections, and activity-based costing.

Performance

Track your progress. Measure your government agency's strategic goals and outcomes.

- A system of programs, measures and scorecards.
- Track an unlimited number of budget and non-budget key performance indicators (KPIs).
- Monitor with user-defined dashboards. Alerts and reminder notifications.
- Interactive analytic tools. Drill down to specific strategies, programs, and initiatives.
- Integrates seamlessly with Qwestica Budget.

"Implementing Qwestica Budget has saved us over \$85,000 in productivity savings annually."

Walter Rossmann, Former Director, Office of Management & Budget, City of Palo Alto, California

"The data (in OpenBook) that provides the most detailed information comes from Qwestica Budget. OpenBook is a straightforward way to graphically display our budget dollars, while only conveying information that the public wanted."

Meridy Semones, Manager, Office of Management & Budget, The City of Largo, Florida

OpenBook

Build trust by being transparent and accountable.

- Showcase financial and non-financial data with interactive charts, tables and graphics with descriptive text, and informational pop-ups.
- Share data through all social channels, access via web and mobile.
- Engage with the council, staff, citizens and others in your community for better conversations about programs and services.
- Project Explorer visualization for Capital Budgets allows organizations to display on a map every infrastructure project, including the budget, actual spend, funding sources, and accompanying documentation, images, video, etc.
- Minimize data duplication/re-entry with seamless integration with Qwestica Budget.
- Integrates with Balancing Act's budget simulator tool to promote and support deeper two-way stakeholder consultation and engagement.
