About Charge Enterprises Inc.

Charge Enterprises Inc (Ticker: CRGE) is a portfolio of global businesses with the vision of connecting people everywhere with communications, infrastructure and transportation. With three distinct divisions:

- Charge Communications, with a strategy to offer Unified Communication as a Service (UCaaS) and Communication as a Platform Service (CPaaS), providing termination of both voice and data to Carriers and Mobile Network Operators (MNO's) globally for over 2 decades.
- Charge Infrastructure, addresses last mile micro-mobility by offering unique and problem-solving infrastructure solutions to cities globally
- Charge Transport, with a strategy of building out new delivery routes globally, adding electrification and autonomous capability to deliver 10's of millions of parcels a day while constantly innovating and utilizing shared resources.

Our strategy is to do the unglamorous part of connecting your phone calls, delivering your packages, and powering micro-mobility.

We operate our current business through a number of subsidiaries which we have recently acquired and/or formed.
