

Castle High School Class of 2024

Online Auction Fundraiser

Aloha,

We are excited about our first ever online auction for Castle High School Class of 2024. As our kids have transitioned back to in-person school, our hope is the typical high school activities will be back on as well. We are starting our fundraising efforts to support the anticipated activities which include pep rallies, class events, class proms and of course culminating with graduation in June 2024. This fundraiser is critical to support the cost of these activities and events.

Will you please help us?

Would you please consider donating to our **Online Auction** where the proceeds will support the events and activities for Castle High School Class of 2024?

The online auction will run from November 1 - November 12, 2021. We are asking for commitments of donations by **October 22** although as we receive donations, we will be able to add them to the auction site daily until the auction closes. A donation form is also included – please fill this out and return to castlehs2024@gmail.com or mail to:
