

BIOGRAPHY

Wael Nasrallah is a registered architect [JEA], Born in Amman, Jordan, currently working as Architect at MEAN* [Middle East Architecture Network] Dubai, UAE.

He holds a Bachelor's Degree in Architecture from the ASU in 2016. Wael has participated in the AAVS JO for three consecutive years and worked as Program Coordinator at AAVS DXB 2019 where he developed expertise in parametric and computational design software.

Architecture has brought-out the dichotomy of his personality, allowing him to engage both creatively and scientifically with the aesthetic and functional aspects of design.
