accordex

Virtual Event Platform

Everything you need to host a successful event.

With over 25 years of in-depth understanding of the ins and outs of trade shows, events, retail and commercial environments, we have fine-tuned what it takes to create a successful event. Now we are here to help you do just that, virtually. Whether you are looking to build a virtual booth, a virtual showroom or organize an event, we are here to help.

Our Virtual Events Platform gives you the power to connect with a global audience, tailor your event to meet your business objectives and provide an experience that clients and prospects will remember.
Enterprise-Level Security

Reliable & secure cloud hosting infrastructure and GDPR compliant to ensure any event data is protected.
Web-Based Platform

Browser-based platform, no download or app required. Supports both Mac & Windows OS.

Metrics & Analytics

Track the details of the virtual event activity and receive a detailed report after the event is completed.

Flexible & Customizable

Fully customizable to reflect your brand. Choose from templates or create a custom environment tailored to your brand.

Virtual Events from accordex is the only truly interactive, intuitive and immersive platform on the market today.

Leverage an engaging virtual environment with customizable exhibitor booths, on-demand content, video and chat interactions to ensure an excellent visitor experience.

The main features of the product include:

- Navigate through a fully immersive 3D environment using point-and-click or with a 3D map.
- Run videos, download documents and manipulate 3D objects.
- Interact one-on-one or one-to-many private and public video calls and text chats.
- Representation of participants through avatars.
- Ability to turn on or off the sound of the environment.
- Screensharing for demos and teaching.
- Supports international time formats.
- Back office interface for easy media management.
- Complete analytics & reporting during and after the event.

Step 1.

Select the event package.

Our flexible formula allows you to choose how long you want to use your event. You can either commit per month or per year.

We offer two online event experiences to best fit your needs:

EVENT	Basic	Pro
• Helpdesk	Standard	Premium
• SSO Enterprise (Active Directory)	✗	✓
• Time Zone & Country Choice (up to)	1	10
• Languages	2	10
• Environment Sizes Available	Small, Medium, Large	Small, Medium, Large
• Administrator Access	Unlimited	Unlimited
• Enterprise-level Security	✓	✓
• Tracking & Analytics	✓	✓

Looking to organize a complete tradeshow or fair? Ask us about our organizer packages.
