PrismHR Partner

ThrivePass is a fully integrated partner with PrismHR, allowing us to provide each PEO with a custom setup unique to their data structure. In addition, changes made in the PrismHR system are automatically reflected in the ThrivePass system, making manual report manipulation a thing of the past.

Brand Promise

A client's complete satisfaction with our end-to-end customer journey is our number one priority. We're committed to Easy Implementation, Hassle-Free Renewals, and Outstanding Service and Administration with 100% of our fees at risk as part of our Performance Guarantee. Learn more.

Dedicated Relationship Manager

We take great pride in our customer experience approach and believe each client should have a dedicated Relationship Manager serving as the single point of contact across all product lines. Our goal is to establish and maintain long-standing, trust-based relationships that grow with our clients as their benefits needs evolve. There is no guessing on who will be on the other end of a shared e-mailbox or when you will get a reply. At ThrivePass, you will have someone you can rely on who will get to know you, your plan needs, and ultimately become an extension of your Benefits Team.
